

# Private transport for you

Safe and comfortable transport from the airport or wherever in Prague and also outside the city

It is up to us that you feel comfortable not only in your room or apartment, but also on your way to it. We have private transport services ready for you to rely on. Prices listed are fixed in advance, so you do not have to expect to pay any unpleasant surprises. All cars are in excellent technical condition, comfortable and spacious. Thanks to the fact that we also have larger cars, we will also ensure the transport of larger groups of people who usually have a problem with carriage in ordinary taxi.

Order in advance simply via our reception

Company, brand and quality of service are always made by people. Especially those who are in direct contact with the client. That's why our drivers are professionals, they can always advise you, take care of you from start to finish, and be happy with everything that will help you navigate in an unfamiliar environment. Get to know them personally, and see for yourself.
